

MyIDCare Identity Theft Recovery

There is an identity theft victim every two seconds. If you are a victim, a MyIDCare Identity Theft Recovery Specialist will provide concierge-style service every step of the way. Their expertise will offer peace of mind and save valuable time during this stressful process.

Benefits include:

- Assist with investigation of the suspected identity theft
- Guidance through the recovery process
- Recovery for all 9 types of identity theft
- Advice from trained professionals in identity protection
- Single point-of-contact if you are a victim
- Assistance with notifying law enforcement or local government agencies
- Limited Power of Attorney to work on the victim's behalf
- Documentation including fraud affidavit

And much more

"It was great knowing I had someone to help me resolve my identity theft issues and I didn't have to spend hours trying to figure out how to handle it on my own"

- MyIDCare member, Needham, MA
